

SCOTTER PARISH COMMUNITY SPEEDWATCH GROUP

Backed by the Parish Council, Scotter now has a Community Speedwatch Group. To make the group more effective we are looking for further volunteers.

Community Speedwatch is a national initiative where active members of local communities join with the support of the Police to monitor speeds of vehicles using speed detection devices.

More information is available online at

www.communityspeedwatch.org

Access to a computer is available at the library with assistance for the not so computer confident.
