Your community group is invited to have a display at this event to show photos, pictures and actions of your facility and its users detailing the amount of funding that has been spent during the last ten years, due to community led planning and what you need in the future to maintain your standards.

Please make sure as many committee members take part as possible and if you need volunteers advertise this at the event. All community groups/organisations are invited to submit a report for the Annual Parish Meeting giving a brief summary of achievements and plans for the coming year.
